Please join us for an afternoon of fellowship — **rub elbows with legislators, meet our student leaders, learn more about YIG programs, and put your mini golf skills to the test.** We have prizes for the winner of our political trivia competition.

With your help, we hope to raise \$10,000 toward student scholarships so that many more students may participate in leadership development and citizenship-building experiences through Youth in Government.

Cost is \$50 per golfer.

Please see the next page for sponsorship opportunities.

**Thank you for your support of Youth in Government.
Hope to see you there!**
